GUIDE - PRIVATE SELLERS

Selling your car as a private seller

Publish the car, receive enquiries and follow the sale.

1. Create an account

Go to the Dealer area and choose Register.

- Name, email, password; account type Private.
- Confirm the email with the 6-digit code.

2. Publish the car

Open My cars and click Publish car.

- Make, model, year, mileage, fuel, gearbox, price, town.
- Up to 10 photos; the first is the main image.
- Describe equipment and service history. Save.

3. Edit or remove

- Edit fixes data, price and photos.
- Remove takes the listing offline once sold.

4. Buyer enquiries

- Email with buyer name, phone and message.
- Reply directly to that email.
- History in the Enquiries tab.

5. Sell my car form

- Our team appraises and publishes for you.
- Attach up to 10 photos in the form.
- Confirmation email with summary and photos.

6. Favourites and support

- Heart saves a car; the Favourites page compares.
- WhatsApp +352 691 101 971 - info@eurocarselect.com

Informational document. Sale conditions, commissions and services are confirmed in writing by the EuroCar Select team.
