- Shoot in daylight: front, rear, both sides, interior, dashboard with mileage, engine.
- Save. Your car is listed in the website catalogue.

3. Edit or remove a listing

- Edit to fix price, mileage, description or replace photos.
- Remove when the car is no longer available.

4. Receiving enquiries

- You get an email with the buyer name, phone, email and message.
- Reply directly to that email to talk to the buyer.
- Every enquiry is stored in the Enquiries tab of your dashboard.

5. The Sell my car form

If you prefer our team to appraise and publish the car, use the Sell my car form.

- Enter make, model, year, mileage and asking price.
- Attach up to 10 photos directly in the form.
- You receive a confirmation email with the summary and your photos.
- Our team replies with an appraisal proposal.

6. Favourites

- Tap the heart on any car to save it.
- The header shows how many favourites you saved on this device.
- The Favourites page lists them for easy comparison.
