

Cookie Policy

This Cookie Policy explains what cookies are, what types of cookies we use on the Charles Bridge Audio Guide website [cite: 1], what purposes they serve, and how you can manage their settings.

1. What Are Cookies?

Cookies are small text files that websites store on your computer, tablet, or mobile device when you start using them. These files allow the website to remember your actions and preferences (such as shopping cart contents or selected language) for a certain period of time, so you do not have to re-enter them every time you navigate to another page [cite: 1].

2. What Types of Cookies Do We Use and Why?

We use the following categories of cookies on our website:

- **Essential (Technical) Cookies:** These files are absolutely crucial for the basic technical functioning of the website, browsing pages, and securing the purchasing process (including managing the shopping cart and processing payments via Stripe) [cite: 1]. Without these cookies, the website could not function properly. Your prior consent is not required by law for the storage of these cookies [cite: 1].
- **Analytical and Functional Cookies:** These cookies are integrated directly within the Macaly platform [cite: 1]. They help us track website traffic, number of visits, and user behavior on the pages [cite: 1]. The data obtained allows us to continuously optimize and improve the website [cite: 1].

3. How Can You Manage or Delete Cookies?

Most internet browsers accept cookies automatically by default. However, you can control and adjust cookie behavior directly in your web browser settings [cite: 1]:

- You can set your browser to refuse all cookies or notify you when they are sent [cite: 1].
- You can manually delete cookies already stored on your device at any time (usually in the "History", "Privacy", or "Site Settings" section of your browser) [cite: 1].

Please note that completely disabling or blocking essential technical cookies may limit the functionality of our website and prevent the successful completion of purchasing our audio guide [cite: 1].

4. Updates and Changes to This Policy

We may update this Cookie Policy from time to time, particularly when legislation or the features of our website change. The current version is always published directly on this website.

5. Contact

If you have any questions regarding the use of cookies, you can contact us at any time at: Charlesbridgepass@gmail.com [cite: 1].
