# Papa's Pumpkin Spice Play Dough

Ages 2 to 8 | 15 minutes | No oven

## You will need

- ☐ 2 cups flour
- ☐ 2 tbsp cream of tartar
- ☐ 1 to 1 1/2 cups boiling water
- ☐ Red + yellow food coloring
- ☐ 1/2 cup salt
- ☐ 2 tbsp vegetable oil
- ☐ 1 tsp pumpkin pie spice
- ☐ Big bowl, wooden spoon

## Let's make it

### 1 Mix the dry stuff

Stir the flour, salt, cream of tartar and pumpkin spice together in the big bowl.

### 2 Add the hot water GROWN-UP STEP

Add the oil and a few drops of red and yellow coloring. Pour in 1 cup of boiling water and stir. Add more water a spoonful at a time until a soft dough forms.

### 3 Knead it smooth

Let it cool until just warm. Knead for 2 to 3 minutes until smooth and soft.

### 4 Make pumpkins!

Roll little pumpkins, press leaves with a cookie cutter, and give Hoot a feast.

**Safety first**

Only a grown-up pours the boiling water. Play dough is not food, and the salt can make pets sick, so keep it away from dogs. Store it in a zip bag for up to 2 weeks.
